

Homeschool Field Days 2025-2026

Charlie Elliott Wildlife Center will host 4 amazing homeschool field days this coming year. During this drop off program, kids (ages 8-13) will get nature-based, hands-on activities, wildlife demonstrations and have opportunities to discover more about Georgia's amazing natural resources.

Dates:

October 16th, 2025- Powerful Producers

December 18th, 2025- Consumers

February 19th, 2026- Decomposers

April 9th, 2026- Habitats of Georgia

Cost: \$10 per student per field day

Ages: 8-13

Drop off program- Joe Tanner Discovery Building

Time: 9:00am-1:30pm (Bring your own lunch)

Max: 30 participants on each field day
